MORE INFORMATION:

***About Orangewood Children's Foundation***

Founded in 1981, Orangewood Children's Foundation is a private, nonprofit organization serving Orange County's abused and neglected children. For over 20 years, the Foundation has given these special children a second chance and hope for a brighter future. Through an innovative array of programs, the Foundation serves children at Orangewood Children's Home, the county's only emergency shelter; those in foster care; emancipated foster youth who "age out" of the dependency system at age 18 and at-risk families.

***About Mas d'Avignon***

Mas d'Avignon represents a distinctive and luxuriously refined interpretation of the traditional French farmhouse by Master Builder Rob Glass of Glass Construction Corporation and architecture firm Maisons. Mas d'Avignon also is characterized by its luxe Old World craftsmanship and the extensive use of authentic European antiques and materials - a Rob Glass hallmark. The result is a sublime six bedroom, 11 bathroom home offering three levels of indoor/outdoor luxury living at its best.

***About Glass Construction Corporation***

For four generations, the Glass family has designed and built custom residential masterpieces noted for their luxuriously livable Old World style. From high-profile celebrity residences to the ultra-private estates of today's captains of industry, Glass Construction Corporation's classical approach is seen in the homes' architecture, artisan craftsmanship and elegant finishes, including the incorporation of authentic materials and antiques from Europe.
